

GSBC4 School Service Adjustment

Summary

This summary describes service adjustments in Sydney's Region 4 which are planned to commence on **Monday 17th November 2025**.

These service adjustments will:

- Improve the reliability and on-time performance of school bus services.
- Increase the efficiency of the bus network, particularly school bus services.
- Provide some students with more journey options.

Key changes include:

Number of school routes impacted	Change
4	Routes that will no longer operate due to very low or no student demand.
1	New route created to reduce crowding at Murfield High School on other school bus routes.
18	Routes with a change to the route taken and/or bus stops used: <ul style="list-style-type: none"> ▪ Improving student journey options by adjusting the route to increase the area it will serve. ▪ Faster journeys by adjusting the route to no longer operate in areas where there is no longer any student demand.
7	Routes that will have a timetable change to improve reliability and increase network efficiency, including updated running times to better reflect current operating conditions on the road network.
