### 2. QUOTATIONS AND BOOKINGS

- 2.1 Quotations are valid for 30 days from the date of written quotation. A quote does not reserve or guarantee any Vehicle and will be subject to availability at the time of confirmation of a booking. CDC will not accept tentative bookings. It is the Hirer's responsibility to verify details set out in the Quotation before accepting the Quotation.
- 2.2 Hirer may accept a Quotation and confirm by contacting CDC via email or phone, details of which may be found on CDC's website.
- 2.3 If at any time before the date of providing the Services, there is an increase in any third-party costs applicable to the Services (for example, parking fees, road tolls or airport charges), CDC reserves the right to pass on these additional costs on to the Hirer.
- 2.4 If there is any inconsistency between the Quotation and these Terms and Conditions, the terms of the Quotation will prevail.
- 2.5 CDC reserves the right to amend these Terms and Conditions at any time without notice to the Hirer. The Terms and Conditions that apply are the Terms and Conditions in force on the date of a Booking.
- 2.6 For all charters taking place after business hours (including weekends), the Hirer is responsible for providing CDC with the contact details of a nominated person.
- 2.7 For any extended charters, the Hirer must provide emergency contact details and a passenger manifest.
- 2.8 For any extended charters (overnight and/or continual days), the Hirer is responsible for booking suitable accommodation (single room) for the driver(s) at the Hirer's cost unless otherwise stated. If CDC is required to arrange the accommodation, the cost will be charged to the Hirer in addition to the Fee.

### **3. BOOKING AMENDMENTS AND CANCELLATIONS**

- 3.1 For services other than school charter services, no cancellation fee is payable by the Hirer if the Hirer cancels a Booking more than five (5) Business Days prior to the Travel Time. If the Hirer cancels a Booking less than five (5) Business Days prior to the Travel Time but greater than one (1) Business Day prior to Travel Time, a cancellation fee of \$150 plus 25% of the Fee is payable by the Hirer.
- 3.2 For school charter services, if the Hirer cancels a Booking more than one (1) Business Day prior to the Travel Time, no cancellation fee is payable by the Hirer.
- 3.3 If the Hirer cancels a Booking less than one (1) Business Day prior to the Travel Time or is a 'no show', the full Fee for the Services will be invoiced to the Hirer. This is applicable for any charter, including school charter services.
- 3.4 The notice of cancellation must be provided to CDC in writing.
- 3.5 CDC may at its discretion waive payment of cancellation fee or reduce the cancellation fee if Hirer cancels the Services due to events outside the Hirer's reasonable control.
- 3.6 CDC reserves the right to cancel the Services at any time due to events or circumstances beyond its control. In such a case, CDC will reimburse the amount paid by the Hirer (if applicable) and will not be liable for any costs or losses or damages incurred by the Hirer as a result of the cancellation, including consequential or indirect damages (such as cost of alternative travel arrangements, costs of connecting to another service or subsequent journey).
- 3.7 If the Hirer requests an amendment/change to the Booking, CDC may agree to the amendment at CDC's absolute discretion and subject to availability of an alternate Service at the time of request, compliance with the National Heavy Vehicle Fatigue Rules and CDC's safety policies. CDC will revise the quotation to reflect the changed booking.

### **4. PAYMENT, COSTS AND CHARGES**

- 4.1 Fees must be paid to CDC in full by the Hirer 7 days prior to the Travel Time with the exception of school charter services, contracted services or if other arrangements have been made by CDC management.
- 4.2 For all school charter services, contracted services or where agreed by CDC, fees must be paid to CDC in full by the Hirer within 30 days of the invoice date.
- 4.3 If CDC incurs any costs resulting from damage caused to the Vehicle by Passenger(s), the Hirer will be directly responsible for such costs. Such costs may include repair and replacement costs. If additional cleaning is required due to the acts of Passengers, CDC may charge the Hirer a cleaning fee of \$250.00 or the actual expenses incurred by CDC, whichever is higher.

### **5. PASSENGER CONDUCT**

- 5.1 CDC will always act in the best interests of passengers to ensure their safety. The Hirer and Passenger(s) must, always, comply with CDC's reasonable instructions.

- (a) refuse entry to Passenger(s) under the influence of alcohol or drugs;
  - (b) disembark Passenger(s) who are or who (in the Driver's reasonable opinion) appear to be under the influence of drugs or alcohol;
  - (c) disembark Passenger(s) who are or become sick to an extent that it poses a threat or an unreasonable inconvenience to other Passenger(s);
  - (d) take such measures as are necessary to seek emergency assistance from available services. Costs of such emergency service provision rest with the Passenger(s).
- 5.4 If a Booking is one of many Bookings, CDC reserves its right to terminate future Bookings if the Hirer or Passenger's conduct violates these conditions and in CDC's opinion, the conduct is serious and/or repeated.
- 5.5 Any costs incurred by the Hirer or Passenger(s) who are refused carriage by CDC or removed from a Vehicle, including costs of alternate travel, will be borne by the Hirer.
- 6. PASSENGER PROPERTY**
- 6.1 Whilst CDC will take all reasonable care with Hirer and Passenger property, it does not accept liability for any damage to, or loss of baggage or property on the Vehicle. The Hirer and its Passenger(s) are solely responsible for all baggage and property, including carry-on baggage. CDC will not be liable for loss, theft of or damage to baggage or personal property. CDC strongly recommends that no valuables are left on the Vehicle at any time, even if that Vehicle is locked.
- 6.2 CDC will determine, in its sole discretion, whether and to what extent any baggage can be carried on the Service, taking into account the Vehicle's carrying capacity. Each baggage item must not exceed 20 kilograms.

- (a) fuel containers or gas bottles;
  - (b) generators;
  - (c) explosives or fireworks;
  - (d) firearms and weapons, including knives and scissors;
  - (e) animals, except for assistance dogs; and
  - (f) items the driver reasonably determines are unsuitable for carriage because they are dangerous or unsafe due to their weight, size, shape or character, or which are fragile or perishable.
- 6.4 All lost property found on the Vehicle (excluding perishable items, hazardous waste, dangerous goods or other items that present a risk to health or safety) will be returned to the relevant CDC depot and registered in the Lost and Found Register. Lost property can be collected from the relevant depot during business hours. It is the Hirer's/Passenger's responsibility to collect the property and bear any costs incurred to collect it.

## **7. CCTV FOOTAGE ACCESS AND USE**
